The Symbol of Excellence in Hospitality

How do travellers find the best properties in the world? They look for the Certificate of Excellence — a prestigious award that can only be earned through consistently great reviews of your business published on the world's largest travel site.

For five years, TripAdvisor has shared this award on behalf of travellers across the globe. Today, whether you're a first-time recipient or a five-time winner, we hope you're proud to see **Terrace Gardens Guest House recognised by customers as one of the very best in the business.**

We also hope you'll celebrate your award by promoting it on social media, in the local press and with potential customers. Visit the Management Centre at tripadvisor.co.uk/Owners to access our free tools for winners.

Congratulations!
